

1<sup>st</sup> Feb 2016

Dear Parents,

At i-Learner Education Centre we love to recognise and celebrate our students' work. We are excited to announce that we have compiled three books showcasing selected student writing and illustrations. The pieces in these books truly show the creativity, diversity and talent of our students.

**The books are:**

Where is the Sun?                      *Selected works by our **kindergarten** students.*  
Amazing Adventures                      *Selected works by our **junior primary** students.*  
Under the Two Old Trees                      *Selected works by our **senior primary** students.*

You are now invited to pre-order copies of these titles. We think they would be a great addition to your home library, as well as the perfect gift to share with friends and family.

To place your order, simply fill in the form below and return it to any of our friendly admin staff. They will also help to process your payment. To ensure your order, please place your pre-order by **28 February, 2016**. If you have any enquiries, please contact us at 3113 8815.

Your order is confirmed upon receipt of payment. The books will be available for collection from the Education Centre from **31 Mar, 2016** onwards.

Thank you for your on-going support!
