

## My day at the beach

The sun was shining. It was breathing hot air out of its mouth. I was playing some board games with my dad at my home. When my dad was about to beat me, my mom said, "What a hot day. Let's go to the beach!" I sighed with relief. Plus, I am always excited when we go to the beach because I could play with my beach toys.

When we arrived at the beach, I was the first to step onto the sand. It was fire. From far away, I could see that the waves were very angry, so I knew it was a good day for surfing. I smelled some nature smell, for example, sea smell, tree smell and plants smell, each of them have different smells. Sea is as fishy as fish. Tree and plants smell are as strong as forest. The sand was so hot that once I stepped on it, I felt that my feet were burning. When I jumped into the sea, I felt that the water was very cold, but at the same time it was very relaxing. Then, I started to get a little cold, so I decided to start playing in the sand. Next, I dug up a big hole, so I can sit in it while my dad takes a bucket of water from the sea and poured it into my hole. When I sat down into the hole, I felt that I was sitting on something. I stood up and saw a very beautiful seashell. I picked it. After that, I checked if it have some broken parts or not, but it had none. I could hardly believe my eyes. I was always wishing that I could get a seashell like this and now my wish came true.

Ten minutes later, I saw a ox having a walk around the beach. It seemed like that the ox really want to learn how to swim and wants to play with us. Just then, I heard a loud Moo. The ox turn around and looked. After that, the ox ran to the other side of the beach and disappeared.

After I took a photo of the ox, I kept playing in the sand until my mom said, 'It is already sunset, let's go home.' At that time, I didn't want to go home because I still wanted to play, but my mom insisted.

When I got home, I was dog-tired! I did all the washing up and fell asleep straight away. What a fabulous and gorgeous day. (428 words)
